11 take the second half in a couple of weeks. Everyone who had attended was very
12 involved in the course.

13
14 Anne Sullivan attended the Council of the Great City Schools Human Resources
15 Meeting. It was interesting to talk about the commonalities of larger districts and
16 being able to find talent. Also discussed were alternative pathways to teaching and
17 leadership. Dr. Sullivan is also serving on a task force regarding licensing
18 requirements and to see what other states are doing regarding recruiting a more
19 diverse population into teaching and leadership.

20
21 Phil Wise provided a legislative update.

22
23 Executive Director's Report

24 Executive Director Magee reviewed the financial report.

25
26 Executive Director Magee and Richard Wortmann continue to work on planning for the
27 upcoming board retreat and meeting on June 18-19, 2015, in Ottumwa. Board
28 members were asked to email retreat topics to Mr. Magee.

29
30 Mr. Magee updated the Board on the National Association of State Directors of Teacher
31 Education and Certification (NASDTEC) board meeting and Ted Andrews Winter
32 Symposium (Sharing the Leadership for Improved Student Learning) that he attended
33 February 4-8, 2015, in San Diego.

1 The next NASDTEC event will be the annual conference in June held in Portland,
2 Oregon. Board members Laura Stevens, Sara Arnold and Brad Buck are invited to
3 attend the June conference.

4
5 NASDTEC issued a press release regarding the Model Code of Educator Ethics. Public
6 comment from stakeholders is now being solicited for the draft of the first-ever Model
7 Code of Educator Ethics (MCEE) sponsored by NASDTEC. Comment will be gathered
8 on the NASDTEC website at www.nasdtec.net through March 2, 2015.

12
13 Items for Discussion:

14 None.

15
16 Petitions for Waiver:

17 Andy Pattee moved, with a second by Mary K. Overholtzer, that in **PFW 15-02 Kathi**
18 **Dian Berry**, the Board deny the waiver. Reasons for denying: Ms. Berry holds a
19 substitute authorization that was issued in 2012 after the Board granted a waiver of
20 the requirement that an applicant for a substitute authorization must have a
21 bachelor's degree from a regionally accredited institution. Ms. Berry had provided
22 verification of a bachelor's degree from Barclay College, which is not regionally
23 accredited. Her authorization expired on January 23, 2015. On January 4, 2015, Ms.
24 Berry submitted an application to renew her substitute authorization. She provided
25 evidence of credit obtained from Barclay College. The application was denied because
26 Barclay College is not an approved renewal credit provider. The Board found that
27 enforcement of the rule would not present an undue hardship. Approved renewal
28 credits are readily available through such agencies as the AEA system and ISEA, and
29 typically are much less expensive than college credits. The approved providers in Iowa
30 offer a large number of online and self-paced courses. Additionally, these approved
31 renewal providers offer courses that are specifically related to best practices in
32 education, while the credits Ms. Berry submitted were not related to education or an
33 endorsement area. It is the intent of renewal credits to further the skill level of the
34 practitioner to better serve in their licensed area. The Board has granted waivers in

1 the past for initial issuance of the substitute authorization to candidates who have
2 completed a degree program at an institution that is not regionally accredited.
3 However, none of the past waivers cited in Ms. Berry’s petition pertained to renewal
4 credits for the substitute authorization. To date, the Board has not granted a waiver
5 of the rule requiring that renewal credits for a substitute authorization come from an
6 approved program. Granting the waiver under these circumstances could cause
7 prejudice to the rights of others who are required to verify approved renewal credits.

8 **MOTION CARRIED UNANIMOUSLY.**

9

Preface

This document contains operational guidelines for the internal management of the Iowa Board of Educational Examiners. The purpose of these operating guidelines is to provide the members of the board with a reference to assist them in performing their statutory duties, responsibilities and to help the public and constituents understand the role of the board. These guidelines are designed to:

1. Provide newly appointed board members with an overview of the role of the board, helping them understand the scope of their duties and responsibilities.
2. Enable the board to effectively carry out its leadership role as educational advocates and policy-makers, ensuring that policies exist that promote educational quality throughout the state.
3. Provide for an efficient and effective operation of meetings.
4. Outline board officer duties and procedures for electing board officers.
5. Address interaction among board members, internal board relationships and board/agency relationships.
6. Outline the board's decision-making process.
7. Address effective and open communication and handling of public concerns.
8. Address opportunities for board development.
9. Ensure accountability through an orderly process of planning and goal setting.

The Board of Educational Examiners

The Board of Educational Examiners helps ensure educator quality through high licensing standards for Pre-K through grade 12 teachers, administrators and other educators. The 12-member Board serves as:

- An independent licensing agency, created in 1989, helping to safeguard schoolchildren by establishing professional and ethics standards for Iowa's educators.
- A self-financed agency that relies solely on revenues from licensing fees and receives no state appropriations
- A resource to other professional education organizations, answering questions and concerns of teachers, school board members and administrators regarding licensure and ethics.

Who Serves on the Board?

The Governor appoints the board and the appointees are ratified by the Senate. By Code, nine of twelve members must be licensed educators, four of whom are administrators and the majority of the board must be teachers. Two are public members, of which one must have school board experience. The remaining member is the Director of the Department of Education or her/his designee.

Mission

The mission of the Iowa Board of Educational Examiners is to establish and enforce rigorous standards for Iowa educational practitioners to effectively address the needs of students.

Beliefs Statements

We Believe:

- that an effective licensure system is efficient, innovative, and responsive to needs of students and educators.
- in collaboration with other organizations to improve professional development and preparation programs.
- that education is a profession.
- that establishing ethical standards protects students and practitioners.

I. Organizational Meeting

A well-defined and understood organizational structure and related procedures are essential to the proper functioning of the board.

General Guidelines for Board Members:

A. Organizational Meeting

The organization of the board shall occur at the regular June meeting. Election of officers shall be included as an agenda item for that meeting.

B. Board Officers

Officers for the board shall be chair and vice-chair. The executive director shall serve as chief executive officer and an agency staff member will serve as recording secretary.

C. Election of Officers

The executive director shall serve as temporary chairperson at the organizational meeting until the chair is elected. Each board member may place one name in nomination for chair. Any board member may be elected to the position of chair or vice-chair. INTEROFFICE MEMORANDUM

TO: Darcy Lane
Board of Educational Examiners

FROM: Jack Ewing, Legal Counsel - Administrative Rules Review Committee

SUBJECT: Session delay: K-12 special education endorsement; specializations, ARC 1884C

DATE: 03/10/2015

At its March 6, 2015 meeting, the Administrative Rules Review Committee voted to delay the effective date of **ARC 1884C** until the adjournment of the **2016** legislative session. ARC 1884C establishes a new optional K-12 special education endorsement and new optional special education specializations. Existing endorsements and specializations are unaffected.

Committee members questioned whether adoption of a new, broad special education endorsement, even if optional, is appropriate, whether the holder of such an endorsement would be adequately trained to provide special education instruction, and whether students requiring special education instruction would be best served under these standards.

This filing will go into effect upon the adjournment of the **2016** session of the General Assembly if the General Assembly does not take action relating to this filing.

Please contact me at 281-6048 if you would like to discuss this issue further.

K-12 special education endorsement; specializations, 14.2 Filed [ARC 1884C](#)2/18/15

EDUCATIONAL EXAMINERS BOARD[282]

Adopted and Filed

Pursuant to the authority of Iowa Code section 272.2(1)“a,” the Board of Educational Examiners hereby amends Chapter 14, “Special Education Endorsements,” Iowa Administrative Code.

A committee of school administrators, special education teachers, Area Education Agency staff, Department of Education staff, and Board of Educational Examiners staff met over several months to examine possible changes to the existing special education endorsements. Based on recommendations from this committee, the Board set forth proposed amendments in a Notice of Intended Action published in the Iowa Administrative Bulletin on September 3, 2014, as **ARC 1602C**.

Under the proposed amendments, the K-12 Special Education endorsement would have replaced the current instructional strategist I and II endorsements. The newly created K-12 Special Education endorsement increases specific preparation requirements of special education teachers (both in general education and special education preparation), addresses the noncategorical delivery models of special education, and includes coverage of Iowa’s specific special education issues and practices.

A public hearing was held on September 24, 2014, with written comment accepted until September 26, 2014. Written comments received after September 26, 2014, were provided to the Board.

The Board received approximately 250 written comments on the proposed amendments. At the public hearing on September 24, 2014, 52 people signed in and 15 spoke in opposition to the proposed amendments. The primary themes of the public input were: (1) opposition to eliminating current endorsements and requiring currently licensed teachers to take necessary coursework to obtain the proposed K-12 endorsement, and (2) the breadth of the proposed K-12 endorsement.

Based on this input and in response to the expressed concern about the proposed amendments not allowing for the grandfathering-in of those currently licensed individuals who hold other special education endorsements, the Board has elected to make the K-12 Special Education endorsement an option but not a requirement. With the amendment adopted herein, no action is taken on the currently available endorsements (that is, the Board did not adopt the amendments proposed in Item 1 of the Notice). The amendment adopted by the Board adds a new endorsement, K-12 Special Education, and an option for individuals to add specializations. These specializations may only be added to a license with the new K-12 Special Education endorsement. Based on public comment, the Board has added new paragraph 14.2(11)“f” to create an optional specialization in learning disabilities.

There is an agencywide waiver provision available in 282—Chapter 6.

The Board of Educational Examiners adopted this amendment on January 15, 2015.

After analysis and review of this rule making, there is no anticipated impact on jobs.

This amendment is intended to implement Iowa Code section 272.2(1)“a.”

This amendment will become effective March 25, 2015.

The following amendment is adopted.

Adopt the following **new** subrules 14.2(10) and 14.2(11):

14.2(10) K-12 special education. EDUCATIONAL EXAMINERS BOARD[282]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)"b."

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 272.2(1)"a," the Board of Educational Examiners hereby gives Notice of Intended Action to amend Chapter 13, "Issuance of Teacher Licenses and Endorsements," rescind Chapter 17, "Career and Technical Endorsements and Licenses," and amend Chapter 22, "Authorizations," Iowa Administrative Code.

The proposed amendments to the Board's rules regarding career and technical licensure would change the title from "license" to "authorization" in order to create a clear distinction between fully licensed teachers and those seeking authority to teach through experience. The amendments would require that an applicant for the career and technical authorization have a job offer prior to obtaining the authorization. Additionally, the proposed amendments clarify the meaning of "recent" experience, update the list of required coursework for career and technical applicants, and eliminate redundant endorsements for teachers.

Any interested person may make written comments or suggestions on the proposed amendments before 4 p.m. on Friday, April 10, 2015. Written comments and suggestions should be addressed to Kim Cunningham, Board Secretary, Board of Educational Examiners, Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa 50319-0147, or sent by e-mail to kim.cunningham@iowa.gov, or by fax to (515)281-7669.

Any interested party or persons may present their views either orally or in writing at the public hearing that will be held Wednesday, April 8, 2015, at 1 p.m. in Room 3 Southwest, Third Floor, Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa.

At the hearing, persons will be asked to give their names and addresses for the record and to confine their remarks to the subject of the proposed amendments. Persons who wish to make oral presentations at the public hearing may contact the Executive Director, Board of Educational Examiners, at the above address, or at (515)281-5849, prior to the date of the public hearing.

Any person who intends to attend the public hearing and requires special accommodations for specific needs, such as a sign language interpreter, should contact the office of the Executive Director at (515)281-5849.

These amendments are subject to waiver pursuant to 282—Chapter 6.

After analysis and review of this rule making, there is no anticipated impact on jobs.

These amendments are intended to implement Iowa Code section 272.2(1)"a."

The following amendments are proposed.

RE: Amend IAC 282 Chapter 13 (and subsequent references in 14, 18, 19, and 27)

The proposed amendments were published as ARC 1918C on March 18, 2015. The public hearing will take place on April 8, 2015. The ARRC will review the proposed amendments at its meeting on April 10, 2015.

The following changes remove significant redundant language from Ch. 13 when otherwise referenced in Department of Education chapters or within our own chapters elsewhere. The only rule change is to out-of-state applicants to submit a valid or expired administrator license (reflective of the same allowance for teachers).

~~**282—13.2(272) Applicants from recognized Iowa institutions.** An applicant for initial licensure shall complete either the teacher, administrator, or school service personnel preparation program from a recognized Iowa institution or an alternative program recognized by the Iowa board of educational examiners. A recognized Iowa institution is one which has its program of preparation approved by the state board of education according to standards established by said board, or an alternative program recognized by the state board of educational examiners. Applicants shall complete the requirements set out in rule 282—13.1(272) and shall also have the recommendation for the specific license and endorsement(s) or the specific endorsement(s) from the designated recommending official at the recognized education institution where the preparation was completed.~~

~~**282—13.3 (272) Applicants from non-Iowa institutions.**~~

~~**13.3(1) Requirements for applicants from non-Iowa institutions.** An applicant for licensure who completes the teacher, administrator, or school service personnel preparation program from a non-Iowa institution shall verify the requirements of either subrule 13.18(4) or 13.18(5).~~

~~**13.3(2) Requirements for applicants from non-Iowa traditional teacher preparation programs.** Provided all requirements for Iowa licensure have been met through a state-approved regionally accredited teacher education program at the graduate or undergraduate level in which college or university credits were given and student teaching was required, the applicant shall:~~

~~*a.* Provide a recommendation for the specific license and endorsement(s) from the designated recommending official at the recognized institution where the preparation was completed, and~~

~~*b.* Submit a copy of a valid or expired regular teaching certificate or license exclusive of a temporary, emergency or substitute license or certificate, and~~

completed on or after January 1, 2013. If the teacher preparation program was completed prior to January 1, 2013, the applicant must provide verification of successfully passing the mandated assessment(s) in the state in which the applicant is currently licensed or must provide verification of successfully passing the Iowa mandated assessment(s) by meeting the minimum score set by the Iowa department of education.

f. Provide verification of successfully passing the Iowa mandated assessment(s) by meeting the minimum score set by the Iowa department of education if the nontraditional teacher preparation program was completed on or after January 1, 2013. If the nontraditional teacher preparation program was completed prior to January 1, 2013, the applicant must provide verification from the state licensing agency/department in the state where the nontraditional teacher preparation program was completed indicating that the applicant has successfully passed that state's mandated assessment(s) or must provide verification of successfully passing the Iowa mandated assessment(s) by meeting the minimum score set by the Iowa department of education.

g. Complete a student teaching or internship experience or verify three years of teaching experience.

h. An applicant who does not have at least 75 percent of one content endorsement area as described in 282—13.28(272) completed will not be issued a license.~~

~~c. An applicant must meet with the board of educational examiners to answer any of the board's questions concerning the portfolio.~~

~~d. Any deficiencies in the professional education core as set forth in 13.18(4) "a" to "i" or in the special education content endorsement area that are identified during the portfolio review and evaluation process shall be met through coursework with course credits completed at a state-approved, regionally accredited institution or through courses approved by the executive director. Other content deficiencies may be met through coursework in a two- or four-year institution in which course credits are given.~~

EDUCATIONAL EXAMINERS BOARD[282]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)"b."

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 272.2(1)"a," the Board of Educational Examiners hereby gives Notice of Intended Action to amend Chapter 13, "Issuance of Teacher Licenses and Endorsements," Chapter 14, "Special Education Endorsements," Chapter 18, "Issuance of Administrator Licenses and Endorsements," Chapter 19, "Evaluator Endorsement and License," and Chapter 27, "Issuance of Professional Service Licenses," Iowa Administrative Code.

The proposed amendments to Chapter 13 remove a significant amount of redundant language that is set forth elsewhere in rules of either the Board of Educational Examiners or the Department of Education. The following amendments are proposed to better reflect the substance of certain licenses:

1. The "Class A" license is renamed the "Class A extension" license;
2. The "exception" under a Class B license is renamed the "executive director decision"; and
3. The "Class E" license is renamed the "Class E emergency extension" license.

In addition, the proposed amendments to Chapter 13 reflect the following:

1. The Executive Director is authorized to allow holders of a substitute license to serve outside their authority in unique circumstances.
2. To reflect the duration of the most common teacher exchange programs in Iowa, the duration of the international teacher exchange license is changed from three years to one year unless the applicant can verify continued participation in the program.
3. The "teacher—elementary classroom" endorsement requirements will sunset on August 31, 2015.
4. The authority of the "elementary school teacher librarian" endorsement is expanded from kindergarten through eighth grade to prekindergarten through eighth grade.

The proposed amendments to the Board's other chapters remove cross references that would be rendered incorrect by the proposed changes to Chapter 13 and remove additional redundant language. The proposed amendments would add the requirement for cultural competency for initial administrator license applicants who currently hold a professional service license. Finally, the proposed amendments would allow out-of-state candidates for administrator licensure to submit an expired out-of-state administrator license if their out-of-state license is not current. This change is reflective of the requirements for out-of-state candidates for teacher licensure and provides relief to candidates who face significant hurdles in renewing expired out-of-state licenses in order to become licensed in Iowa. These candidates will continue to be required to verify completion of all Iowa-required coursework and other Iowa requirements.

Any interested person may make written comments or suggestions on the proposed amendments before 4 p.m. on Friday, April 10, 2015. Written comments and suggestions should be addressed to Kim Cunningham, Board Secretary, Board of Educational Examiners, Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa 50319-0147, or sent by e-mail to kim.cunningham@iowa.gov, or by fax to (515)281-7669.

Any interested party or persons may present their views either orally or in writing at the public hearing that will be held Wednesday, April 8, 2015, at 1 p.m. in Room 3 Southwest, Third Floor, Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa.

At the hearing, persons will be asked to give their names and addresses for the record and to confine their remarks to the subject of the proposed amendments. Persons who wish to make oral presentations

at the public hearing may contact the Executive Director, Board of Educational Examiners, at the above address, or at (515)281-5849, prior to the date of the public hearing.

Any person who intends to attend the public hearing and requires special accommodations for specific needs, such as a sign language interpreter, should contact the office of the Executive Director at (515)281-5849.

These amendments are subject to waiver pursuant to 282—Chapter 6.

After analysis and review of this rule making, there is no anticipated impact on jobs.

These amendments are intended to implement Iowa Code section 272.2(1)“a.”

An additional fee of \$100 per calendar month, not to exceed \$500, shall be imposed if the practitioner does not hold a valid Iowa license **or authorization**. The fee will begin to be assessed on the first day of the school year for which the practitioner is employed until the practitioner submits a completed application packet for the appropriate license. ~~Following payment of the appropriate fee (see rule 282—12.2(272), paragraph "17"), a~~ **A** Class A license may be issued instead of the renewal of the initial license for another initial license if the applicant verifies one of the following:

EDUCATIONAL EXAMINERS BOARD[282]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 272.2(2), the Board of Educational Examiners hereby gives Notice of Intended Action to amend Chapter 12, “Fees,” and Chapter 20, “Renewals,” Iowa Administrative Code.

The proposed amendments simplify Chapter 12 regarding fees and will allow for fewer rule changes in the future by establishing a uniform fee unless otherwise stated. All fees for licenses, certificates, authorizations, and statements of professional recognition issued by the Board would remain the same, with the exception of the fee for a teacher intern license, which would be reduced from \$125 to \$85 to mirror the fee for the majority of the Board’s other certifications. The proposed amendments also address an inconsistency between Chapter 12 and Chapter 20 regarding the deadline for submitting documents requested in a licensure application audit and remove cross references in Chapter 20 that would be rendered incorrect by the proposed amendments to Chapter 12. Finally, the proposed amendments would establish a \$25 fee for adding an endorsement to a paraeducator certificate only. Currently, the rules state that the fee for adding any endorsement is \$50.

Any interested person may make written comments or suggestions on the proposed amendments before 4 p.m. on Friday, April 10, 2015. Written comments and suggestions should be addressed to Kim Cunningham, Board Secretary, Board of Educational Examiners, at the address listed below, or sent by e-mail to kim.cunningham@iowa.gov, or by fax to (515)281-7669.

Any interested party or persons may present their views either orally or in writing at the public hearing that will be held Wednesday, April 8, 2015, at 1 p.m. in Room 3 Southwest, Third Floor, Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa.

At the hearing, persons will be asked to give their names and addresses for the record and to confine their remarks to the subject of the proposed amendments. Persons who wish to make oral presentations at the public hearing may contact the Executive Director, Board of Educational Examiners, Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa 50319-0147, or at (515)281-5849, prior to the date of the public hearing.

Any person who intends to attend the public hearing and requires special accommodations for specific needs, such as a sign language interpreter, should contact the office of the Executive Director at (515)281-5849.

These amendments are subject to waiver pursuant to 282—Chapter 6.

After analysis and review of this rule making, there is no anticipated impact on jobs.

These amendments are intended to implement Iowa Code section 272.2(2).

The following amendments are proposed.

RE: Amend IAC 282 Chapter 23.1

The proposed amendments were published as ARC 1920C on March 18, 2015. The public hearing will take place on April 8, 2015. The ARRC will review the proposed amendments at its meeting on April 10, 2015.

This change will allow holders of the driver's education endorsement to maintain a behind-the-wheel authorization but with classroom instruction authority. This is particularly beneficial to the holders of initial licenses who end up teaching driver's education only (since they do not have an unlimited number of renewals). This will also benefit holders of expired licenses who want to continue to teach driver's education to be able to instead maintain this authorization annually with relevant renewal training.

282—23.1 (272,321) Requirements. Applicants for the behind-the-wheel driving instructor authorization shall meet the following requirements:

23.1(3) Classroom Instruction. To be eligible for classroom instruction, holders of the behind-the-wheel authorization must additionally hold a valid or expired initial, standard, exchange, or master educator license with endorsement 118 for driver and safety education.

EDUCATIONAL EXAMINERS BOARD[282]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 272.2(1)“a,” the Board of Educational Examiners hereby gives Notice of Intended Action to amend Chapter 23, “Behind-the-Wheel Driving Instructor Authorization,” Iowa Administrative Code.

The proposed amendment allows holders of the driver’s education endorsement to maintain a behind-the-wheel authorization with classroom instruction authority. This amendment would be particularly beneficial to the holders of initial teaching licenses who teach driver’s education in the summer only, since this summer employment does not meet the experience requirement to move to a standard license, and since they do not have an unlimited number of renewals on their initial licenses. This amendment would also benefit holders of expired licenses who want to continue to teach driver’s education and maintain this authorization annually with relevant renewal training.

Any interested person may make written comments or suggestions on the proposed amendment before 4 p.m. on Friday, April 10, 2015. Written comments and suggestions should be addressed to Kim Cunningham, Board Secretary, Board of Educational Examiners, at the address listed below, or sent by e-mail to kim.cunningham@iowa.gov, or by fax to (515)281-7669.

Any interested party or persons may present their views either orally or in writing at the public hearing that will be held Wednesday, April 8, 2015, at 1 p.m. in Room 3 Southwest, Third Floor, Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa.

At the hearing, persons will be asked to give their names and addresses for the record and to confine their remarks to the subject of the proposed amendment. RE: Ethics Training as a requirement for renewal

One of the paramount goals of the Board is to create clear guidelines and expectations for code of conduct and ethics education for educators. This series of changes will allow educators to complete current and relevant training as a condition of licensure renewal, and also for the first issuance of a license when it is not already covered in the preparation program. Chapter 272.2 also states that the board shall provide this training to any person who holds a license, certificate, authorization, or statement of professional recognition.

282—20.1(272) General renewal information. This chapter contains renewal requirements for those individuals desiring to renew the initial, standard, master educator, professional administrator, area education agency administrator, or substitute license or a statement of professional recognition (SPR), and general renewal requirements for all other licenses. Individuals desiring to renew a license issued under some other title are referred to 282—Chapters 22, 23, and 24 for additional specific requirements.

282—20.3 (272) Renewal of licenses, authorizations, certificates, and statements of professional recognition.

20.3(1) Issue date. A renewed license is valid only from and after the date of issuance.

20.3(2) General renewal requirements. A license, authorization, certificate or statement of professional recognition may be renewed for applicants who fulfill the general requirements set out in subrules 20.3(3) through 20.3(5)(8) and the license-specific requirements set out in this chapter under each license, authorization, certificate or statement of professional recognition.

20.3(3) Background check. Every renewal applicant is required to submit a completed application form with the applicant's signature to facilitate a check of the sex offender registry information under Iowa Code section 692A.121, the central registry for child abuse information established under Iowa Code chapter 235A, and the dependent adult abuse records maintained under Iowa Code chapter 235B. The board may assess the applicant a fee no greater than the costs associated with obtaining and evaluating the background check.

20.3(4) Child and dependent adult abuse training. Every renewal applicant must submit documentation of completion of the child and dependent adult abuse training approved by the state abuse education review panel. A waiver of this requirement may apply under the following conditions with appropriate documentation of any of the following:

- a. A person is engaged in active duty in the military service of this state or of the United States.
- b. The application of this requirement would impose an undue hardship on the person for whom the waiver is requested.
- c. A person is practicing a licensed profession outside this state.
- d. A person is otherwise subject to circumstances that would preclude the person from satisfying the approved child and dependent adult abuse training in this state

20.3(5) Code of Professional Conduct and Ethics Training. Every renewal applicant must submit documentation of completion of a code of professional conduct and ethics training approved by the Board of Educational Examiners.

20.3(6) Trainings for renewal unit. Applicants for the renewal of any license or authorization may submit verification of completion of combined mandatory and non-mandatory trainings to total 15 clock hours per licensure renewal unit for a maximum of 2 units. A list of approved trainings will be provided by the Board of Educational Examiners.

20.3(5)(7) Recency of units for renewal. If a license is renewed on or before the date of expiration, the units for renewal are acceptable if earned during the term of the license. If a license is not renewed on the date of expiration, the units for renewal must have been completed within the five-year period immediately preceding the date of application for the renewal.

20.3(6)(8) Timely renewal. A license may only be renewed less than one year before it expires.

282—20.10 (272) Renewal requirements for a statement of professional recognition (SPR).

20.10(2) Each applicant renewing an SPR must provide documentation that all renewal requirements in subrules 20.3(1) through 20.3 have been met. In addition to the provisions set forth in this rule, an applicant must meet the general requirements set forth under rule 282—20.3(272).

Subject: regarding feedback request on Ethics Training

Honorable members of the Board of Educational Examiners,

We have been asked to provide feedback on a proposal to require Ethics training for all BoEE license renewals.

The notes of the February 21, 2012 BoEE Ethics Task Force meeting were provided with an indication that the group recommended an Ethics course requirement. ISEA had several representatives on the Task Force. They have reviewed their notes from the meeting and have had extensive conversations about the same. They do not recall making a recommendation to require the Ethics training as a part of the license renewal process.

Each of them recalled believing that the meeting in February 2012 was the first step in a longer process of bringing stakeholders together to explore this conversation. No second meeting of this group ever occurred, nor did any follow up with that group occur.

A separate, much smaller group of stakeholder representatives was convened by BOEE staff on October 22, 2013 as The Ethics Review Team. At the start of this meeting it was reported that a previous group met, made no specific recommendations but rather had a sense that something more needed to be done. The notes from the BOEE staff regarding this October 22, 2013 meeting indicated that the group recommended that Ethics training for Standard/Master renewal be done as a part of Professional Development or Professional Learning Communities. The notes further indicate that the BoEE would review the recommendations of the group for feasibility, cost, etc. and report back to the group. No such report has been received by ISEA's representative to that group.

Given the fact that the two groups of stakeholders that have been convened on this issue over the course of the last three years have each only met once and no follow up or additional conversations have taken place with these stakeholders, we believe that making any recommendations about requiring an Ethics course as part of the license renewal process is premature.

We respectfully request the BoEE convene an education stakeholder group that includes all aspects of the education community to engage in a thoughtful conversation on this topic. We further request the group be allowed adequate time to discuss this complex issue thoroughly, with adequate follow up and time for the group to explore all options and make recommendations in a systemic fashion.

Sincerely,

Tammy Wawro, President

Re: Reminders regarding petitions for waiver

The administrative rule that sets forth the criteria you must consider in deciding whether to grant a petition for waiver is as follows:

282—6.4(17A) Criteria for waiver or variance. In response to a petition completed pursuant to rule 6.6(17A), the board may in its sole discretion issue an order waiving in whole or in part the requirements of a rule if the board finds, based on clear and convincing evidence, all of the following:

1. The application of the rule would impose an undue hardship on the person for whom the waiver is requested;
2. The waiver from the requirements of the rule in the specific case would not prejudice the substantial legal rights of any person;
3. The provisions of the rule subject to the petition for a waiver are not specifically mandated by statute or another provision of law; and
4. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

The Board must find **all four factors** exist in a given case in order to grant the petition for waiver. Therefore, discussion of the petition should focus on the four factors listed in the rule, address them individually, and conclude with a finding on each one.

The attached summary has been prepared by Board staff to aid in your discussion, and any recommendations it may contain are not binding.

Petition for Waiver

Name: Paul Peters

License: Folder #1020471

Peters applied for an Activities Administration Authorization and was denied on or about February 5, 2015.

Reason for Waiver: The newly-created Activities Administration Authorization requires a bachelor's degree in athletic administration or a related field. Peters asks the board to waive this requirement, based on his experience and his training as a chiropractor.

Rule Citation:

282—22.10(272) Activities administration authorization.

...

(1) Degree. A baccalaureate degree or higher in **athletic administration or related field** from a regionally accredited institution is required.

Staff recommendation: Deny the waiver

Rationale: The newly created Activities Administration Authorization was put in place with the intent to provide a narrow alternative pathway for individuals who do not otherwise hold any form of licensure from the board, but have completed a degree in athletic administration or a related field.

Hardship: Peters cites the additional time and expense of earning the required degree as an undue hardship.

Prejudice to Others: There are no past waiver requests pertaining to this rule. The Board must determine whether granting the waiver request would prejudice the substantial legal rights of any person (such as other aspiring athletic directors who are licensed as teachers and/or administrators).

Safety and welfare of others: The Board must decide whether waiving the rule in question would provide substantially equal protection of public health, safety, and welfare. In this context, that determination requires consideration of whether the petitioner's educational background makes him at least as qualified for an activities administrator position as a person with the degree called for in the rule.

Re: Reminders regarding petitions for waiver

The administrative rule that sets forth the criteria you must consider in deciding whether to grant a petition for waiver is as follows:

282—6.4(17A) Criteria for waiver or variance. In response to a petition completed pursuant to rule 6.6(17A), the board may in its sole discretion issue an order waiving in whole or in part the requirements of a rule if the board finds, based on clear and convincing evidence, all of the following:

1. The application of the rule would impose an undue hardship on the person for whom the waiver is requested;
2. The waiver from the requirements of the rule in the specific case would not prejudice the substantial legal rights of any person;
3. The provisions of the rule subject to the petition for a waiver are not specifically mandated by statute or another provision of law; and
4. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

The Board must find **all four factors** exist in a given case in order to grant the petition for waiver. Therefore, discussion of the petition should focus on the four factors listed in the rule, address them individually, and conclude with a finding on each one.

The attached summary has been prepared by Board staff to aid in your discussion, and any recommendations it may contain are not binding.

Petition for Waiver

Name: Tim Green

License: Folder # 1021518

Green applied for a substitute authorization. The application was denied on approximately March 13, 2015.

Reason for Waiver: The rule for the substitute authorization requires a baccalaureate degree from a regionally accredited institution. Green received a bachelor's degree from Nebraska Christian College, which is not regionally accredited, but is accredited by the Association for Biblical Higher Education.

Rule Citation:

282—22.2 (272) Substitute authorization.

...

(2) Degree or certificate. Applicants must have achieved at least one of the following:

1. Hold a baccalaureate degree from a regionally accredited institution.

Rationale: Green holds a bachelor's degree in youth ministry from Nebraska Christian College. He states he has been involved in religious education for over sixteen years. He has completed the substitute authorization program and would like to be authorized to substitute teach.

Staff recommendation: Grant the waiver

Rationale: The Board has previously granted several requests for waiver of the substitute authorization rule to individuals who have a bachelor's degree from a college that is accredited by a religious accrediting agency. Green's undergraduate institution is accredited by the Association for Biblical Higher Education. He also has experience working with young people through religious education.

Hardship: Green states it would be an undue hardship to return to a regionally accredited institution to achieve another bachelor's degree.

Prejudice to Others: The Board has granted waivers in similar cases, including:

- 10-28: waiver for substitute authorization granted; petitioner attended Nebraska Christian College, accredited by Association of Biblical Higher Education.
- 11-01: waiver for substitute authorization granted; petitioner attended Zion Bible College, accredited by Association of Biblical Higher Education.

- 11-26: waiver for substitute authorization granted; petitioner attended Columbia Southern University, an accredited member of the Distance Education and Training Council.
- 12-03: waiver for substitute authorization granted; petitioner attended Barclay College, accredited by Association of Biblical Higher Education.
- 13-12: waiver for substitute authorization granted, petitioner attended Calvary Bible College, accredited by Association of Biblical Higher Education.

Safety and welfare of others: The substitute authorization provides limited authority in that the holder can only serve in short-term assignments. The Board must decide whether Green's educational background would be as effective as a bachelor's degree from a regionally accredited institution in ensuring the public safety, health, and welfare.

Petition for Waiver

Name: Michael Bohannon

License: Folder # 980615

Bohannon holds an initial license and a coaching authorization.

Reason for Waiver: Bohannon has renewed his initial license once. A second renewal requires proof of employment that will meet the experience requirement for converting the initial license to a standard license. He has not obtained employment that would meet the requirement, but does have a position teaching driver's education. He is requesting the waiver to allow him to renew his initial license again so he can continue in his driver's education position.

Rule Citation:

282—20.4(272) Specific renewal requirements for the initial license.

...

A second renewal may be granted if the holder of the initial license has not met the options required in rule 282—13.7(272), paragraph "2," and if the license holder can provide evidence of teaching employment which will be acceptable for the experience requirement.

Staff recommendation: Grant the waiver for a term through August 1, 2015.

Rationale: Bohannon is in a unique situation, in that he holds an initial license with the driver's education endorsement, but has run out of renewals on his initial license because he has not found employment that will meet the experience requirement for conversion to a standard license. He has a driver's education position for the upcoming summer, which he will be unable to perform if his initial license is not renewed. The board has filed notice on an administrative rule that would allow Bohannon to hold a driver's education authorization, making renewal of his initial license unnecessary until he obtains other employment.

Hardship: Bohannon cites the loss of his summer driver's education position and the associated income as an undue hardship.

Prejudice to Others: The board staff believes that granting Bohannon a limited renewal until August 1, 2015, would not prejudice the substantial legal rights of any person. As stated above, this is a unique situation and would have very limited implications. If the proposed administrative rule is adopted, such a waiver would not be necessary in the future.

Safety and welfare of others: The Board must decide whether granting the waiver as recommended would provide substantially equal protection of public health, safety, and welfare. Bohannon is a fully licensed teacher with an endorsement in driver's education. His inability to renew without a waiver is based on the fact that he has not found employment, not on any lack of training or required coursework.

Petition for Waiver

Name: Matthew Klemme

License: Folder #801600

Klemme applied for an Activities Administration Authorization and was denied on or about February 2, 2015. He holds a coaching authorization.

Reason for Waiver: The newly-created Activities Administration Authorization requires a bachelor's degree in athletic administration or a related field. Klemme asks the board to waive this requirement. He has a bachelor's degree in business education with a minor in coaching. He states he was eligible for a teaching license at the time he obtained the business education degree, but did not apply because he went on to take coursework in athletic administration at the University of South Dakota. He did not complete the athletic administration degree.

Rule Citation:

282—22.10(272) Activities administration authorization.

...

(1) Degree. A baccalaureate degree or higher in **athletic administration or related field** from a regionally accredited institution is required.

Staff recommendation: Deny the waiver

Rationale: The newly created Activities Administration Authorization was put in place with the intent to provide a narrow alternative pathway for individuals who do not otherwise hold any form of licensure from the board, but have completed a degree in athletic administration or a related field. Klemme could likely obtain a teaching license with Praxis testing and fairly limited coursework. He would then be eligible to work as an activities administrator.

Hardship: Klemme cites the additional time and expense of earning the required degree as an undue hardship.

Prejudice to Others: There are no past waiver requests pertaining to this rule. The Board must determine whether granting the waiver request would prejudice the substantial legal rights of any person (such as other aspiring athletic directors who are licensed as teachers and/or administrators).

petitioner's educational background makes him at least as qualified for an activities administrator position as a person with the degree called for in the rule.

RE: Licensure Renewal Units for Serving as a Cooperating Teacher

The Iowa Board of Educational Examiners, in collaboration with the Iowa Association of Colleges for Teacher Education, has created a proposal to revise the current system of earning a renewal unit for serving as a cooperating teacher. The proposal includes striking the current language and creating clearer guidelines for earning units as approved by the board.

Proposal to be approved by the board:

Educators may receive a maximum of two renewal units for serving as a cooperating teacher.

- Serving as a cooperating teacher for a 14 week or more student teaching experience and completing requirements as defined by the higher education institution is worth one renewal unit.
- Serving as a cooperating teacher for a 7-13 week student teaching experience and completing requirements as defined by the higher education institution is worth one-half renewal unit.
- Serving as a cooperating teacher for 90 hours of clinical experiences (pre-student teaching field experiences where the candidate is involved in the classroom beyond observation, e.g., methods, practicum or internship experiences) is worth one-half renewal unit and 180 hours is worth one renewal unit.
