Dear Dr. Kruse:

Case number 1-33 has been filed against me and is pending an investigation. I have received a copy of the complaint and have been informed of and understand the nature of the proceedings provided by the Agency. I am aware of the Board's legal authority to exonerate and discipline. I understand that in the event the Board were to determine that there was probable cause to hold a hearing that I have an opportunity to be heard and to contest the allegations against me in a formal hearing. I have freely chosen to waive further rights that I may have to appear before the Board and have further chosen to surrender my teaching license in lieu of further proceedings. I do, however, ask that the Board send me a notice of the Board's formal decision in response to my request to surrender my license.

Sincerely,

Daniel Eveleth
